

HICKORY CHAIR®

FOR IMMEDIATE RELEASE

DISCOVER THE NEW HABLE FURNITURE AND TEXTILE COLLECTION

High Point, NC—October 18, 2019— This fall Hickory Chair joins sisters, Susan and Katharine Hable, in the celebration of the twentieth anniversary of their company, Hable Construction®. Much

to the delight of designers and buyers heading to High Point for Market this week, Hickory Chair is poised to launch a new Hable furniture collection and a signature group of new exclusive Hable® fabrics. The new Hable® bedroom, dining room and living room pieces complement and extend the dynamic original furniture collection that was launched originally in April 2015. To great acclaim, the Hable for Hickory Chair™ fabric collection was originally introduced at the October 2010 market as the industry's first exclusive textile collection by a furniture manufacturer. The Hable collections have always brought a fresh dimension to Hickory Chair with its mid-century modern and Scandinavian design, world history,

travel, contemporary art, and of course, exclusive textiles.

Highlights of the new October 2019 collection include:

8530-23 Hansel Chair

Susan has a love for 1940's French and Italian furniture. The distinctive arms and exposed wood of an original antique inspired the new Hansel chair. The sculptural arm creates a sinuous line from the back post through the arm terminating at the floor capped by a Platinum ferrule that was custom made for the Hansel. Exacting pitch and tailoring were achieved by the craftsmen in Hickory to achieve luxurious comfort.

8531-27 Luca Swivel Chair

The new Luca is a luxuriously comfortable low-profile swivel chair designed by Susan Hable. An Italian 1940's smoking chair inspired our new version that has an ash plinth base that discretely hides the custom Hickory Chair swivel device. Its graceful serpentine arms, tight back and spring-down seat cushion create a comfortable sanctuary for you.

8691-10 Maxime Console

8691-11 Maxime Wood Top Only

8691-80 Maxime Stone Top Only

The Maxime Console was based upon French Moderne 1940's design but updated for today. The Maxime has undulating ribbed carving on the entire façade which features five touch-latch doors. Three drawers with soft-close guides offer additional storage. The Maxime sits upon a plinth base with undulating ribbed carving in a different scale than the doors. A choice of wood top or marble top is available. The optional Calacatta Paonazza honed marble top is off-white with beautiful beige, grey and golden touches.

8687-10 Chad Walnut & Olive Ash Burl Side Table

8688-10 Chad Maple Posts & Cherry Shelf & Top.

The Chad Side Table with Olive Ash Burl is an American made version of the original stone table Susan designed for the collection. Each leg and round finial is hand-turned from American Walnut. The top and shelf feature Olive Ash Burl. A clear lacquer finish is shown that allows the natural beauty of the wood to shine forth. Also available is the Chad made with a Cherry top and shelf that is perfect for painted finishes and beautiful paintings from the talented artists in our Hickory Chair Artist Studio.

8523-05 Denby Sofa

8523-46 Denby RAF Sofa & 8523-56 Denby LAF Corner Sofa (Shown)

Denby – This geometric sofa and sectional series were inspired by European luxury fashion. Susan designed the Denby to be low and deep making the series inviting and comfortable. Signature arms wrap over the seat cushion creating not only a modern attitude, but also extra seating while entertaining family and friends. The generous arm becomes the perfect surface for an armrest, laptop or refreshments as well.

8537-27 Jean Swivel Chair

The Jean Low Profile Swivel Chair was inspired by Susan’s Quince Chair. With Hickory Chair’s custom-made swivel system, the sculptural form of the new Jean creates a bit of drama in the room while providing luxurious comfort. The solid Ash base adds a decorative element and is available in all finishes. Hickory Chair’s signature swivel mechanism is the secret to the Jean’s smooth operation and floating appearance.

8666-10 Thora Side Table

The Thora Side Table is a perfect solution as a nightstand or side table. With its hanging shelf, reverse tapered legs and distinctive shape, the Thora is a modern interpretation of a 1940's French Modern antique. The drawer appears to be suspended in midair but operates elegantly as any Hickory Chair drawer. The half-moon shaped Antique Bronze finished pull is made in a grander scale than the original pull.

313-12 Hearts – Vanilla

313-64 Hearts – Pepper

313-69 Hearts – Smoke

From an original watercolor drawn by Susan Hable of hearts with a whimsical ‘doo-dad’ to add a bit of humor and individually, Hearts is an exclusive fabric for Hickory Chair. Hable fabrics are not drawn on a computer. They are hand drawn and have an organic, natural feel. It was woven in western North Carolina and is available in three colorways – Vanilla, Pepper and Smoke.
